ELECTION REQUIREMENT PURSUANT TO 35 U.S.C. 121

Dear Sir:

This response addresses the Election/Restriction requirement dated July 15, 2002 with respect to the above-identified patent application. Applicants provisionally elect with traverse Species I. This election is made for purposes only of expediting prosecution and facilitating examination, and without intending in any way to surrender claim scope broader than the present elected species.

Applicants believe that at least claims 1-10, 13-21, and 24 read on the elected species. In the interest of advancing prosecution, Applicants do not identify the remaining claims as reading on the elected species. However, this is not intended as a concession that the remaining claims do not read on the elected species.

The Examiner represented that he attempted to reach the undersigned by telephone on July 12, 2002 to request an oral election to the restriction requirement. The undersigned received no telephone message to that effect. The Examiner is respectfully requested to leave a message if further telephone attempts are made.
